OBJECTIVE

Looking to join an innovative construction company that leverages cutting-edge technology to solve real problems, where I can gain hands-on experience, continuously expand my technical skill set, and grow alongside an organization that values pushing boundaries and developing its people.

PROFESSIONAL SUMMARY

Computer Science graduate (B.S., 3.9 GPA) with direct construction management experience at WK Krill & Associates, Inc., a construction management consulting firm. My skillset combines technical fluency in data systems, cloud infrastructure, computer networking, and process analysis with practical exposure to construction management. NCAA Division I athlete, accustomed to high-performance environments, tight deadlines, and team collaboration.

CONSTRUCTION EXPERIENCE

Assistant Construction Site Coordinator

WK Krill & Associates, Inc. | White Lake, MI | Summer 2022

- Worked on First Energy's Grid Mod program 2022.
- Reviewed, organized, and tracked construction documents including submittals and specifications, ensuring adherence and quality control.
- Provided weekly field support to review schedules, resources, and installation adherence.

TECHNICAL SKILLS & QUALIFICATIONS

Software & Systems: Python, Java, JavaScript, Bash scripting, SQL, AWS cloud infrastructure, Git/GitHub, Linux administration, database management (RDS, DynamoDB), Microsoft Office Suite.

Certifications: Anthropic - Claude Code in Action, AWS Academy Cloud Foundations (In Progress), CompTIA Security+ (In Progress).

SOFTWARE PROJECTS

AWS Cloud Infrastructure Labs

AWS Academy Cloud Foundations | 2026

- Configured and managed EC2 instances, VPCs, security groups, and IAM roles/policies in hands-on lab environments.
- Implemented S3 bucket policies, versioning, and lifecycle rules to manage data storage and access control.
- Built and optimized database solutions using RDS and DynamoDB, applying encryption and backup strategies.

EDUCATION

Bachelor of Science - Computer Science | GPA: 3.9 | May 2026

Eastern Michigan University | Ypsilanti, MI | NCAA Division I Student-Athlete

- Male Scholar-Athlete of the Year (Awarded April 2026) – Annual EMU honors for academic excellence for one student athlete for all sports.
- Relevant Coursework: Data Structures & Algorithms, Computer Networks, Cloud Computing (AWS), Software Engineering, Natural Language Processing (Artificial Intelligence).

Associate of Science, Honors (Mathematics) | GPA 4.0 | 2024

Kalamazoo Valley Community College | Kalamazoo, MI

- Dale B. Lake Award - Top Student-Athlete KVCC all sports (2024).
- First Team NJCAA All-Academic.
- 2021: I sustained a full labrum tear in my shoulder, which required surgery and a long recovery process. This injury significantly changed my athletic trajectory and led me to transfer to Kalamazoo Valley Community College (KVCC) to seek a fresh start for physical rehabilitation.

Oakland University | Rochester, MI | GPA 3.83 | 2021 – 2023

- Attended with an athletic and academic scholarship studying Computer Science.

International Academy HS | Bloomfield Hills, MI | GPA 4.42 | 2017 – 2021

- Top academic High School in the state of Michigan
- Summa Cum Laude, IB Diploma, National Honor Society.

STUDENT-ATHLETE EXPERIENCE

NCAA Division I Baseball | Student-Athlete | 2021 – Present

Eastern Michigan University / Oakland University

- Maintained a 3.9 GPA while managing a 30+ hour/week athletic commitment, demonstrating time management, discipline, and performance under pressure.
- Collaborated with a 35-member roster and coaching staff to execute game plans, analyze opponent data, and adapt strategy in real-time competitive environments.
- Played an integral role with my teammates to turn both programs around.

Collegiate Summer League Player | Baseball | Summer 2023 & 2024

Kalamazoo Growlers, Northwood League

- Competed in a league of 26 teams across the Midwest and Ontario, Canada.
- Operated under a demanding daily schedule (9+ hours) requiring sustained focus and consistent execution.
- Contributed to a championship season while maintaining a professional-level 70+ game schedule over 10 weeks.

LEADERSHIP & ACTIVITIES

Athletes in Action | Member (2025), Leader (2026)

Eastern Michigan University, Ypsilanti, MI | 2024 – Present

- Led and organized a weekly Christian Bible study and coordinated community service events.

Youth Baseball Coach | Volunteer | 2020 – 2024

Michigan Bulls | Novi, MI

- Designed and led training programs for youth athletes, developing coaching and mentorship skills.

Student-Athlete Community Service 2021-2026

- Completed over 50 hours of impactful, team-driven community service events across EMU and OU.
- Activities included helping at Miracle League Plymouth, serving Pancake dinner at Resurrection Cross Church and many others

ADDITIONAL HONORS & AWARDS

D1 First Team All-State (Lakeland HS, 2021) | Academic All-Conference (Lakeland HS, 2021) | Baseball East-West (Comerica) All-Star Game (Lakeland HS, 2021) | Baseball Factory Top 100 Player Nationally (Class of 2021) | KVCC Most Valuable Player (2024).
